

Dearest Clients!!

Before you enter the shop, please make sure you are familiar with our new policies:

1.) You must be wearing a face mask. If you can wear an n-95 mask that is encouraged.

2.) Please wash your hands as soon as you enter the shop.

3.) We ask that you not bring folks with you while you are getting tattooed. This is to keep everyone as safe as possible.

*we do this to try to minimize the number of folks in the shop at one time

4.) If you, or anyone in your household has exhibited symptoms like fever, dry cough, or severe stomach pain PLEASE do not try to come to an appointment.

5.) All shop staff has been vaccinated and boosted. For your own protection, we highly encourage you to be vaccinated and boosted since we are unable to distance during your session.

The artists of Tintoretta will wear face masks for the entirety of your visit, and we will be following our strict protocols for cleanliness. We sincerely ask that you cooperate with our requirements as tattooing is not possible at a distance. We want to make sure we are being as responsible as possible to reduce the risk for ourselves and others.

Thank you for your patience,
patronage, and cooperation!

If you have any questions, please contact your artist individually or email us at
